ORDER:

In the reference 2nd read above, the ENC (I), Hyderabad, has furnished a Note on the proposals of setting up of "State Water Mission " as suggested by Govt. of India to facilitate the preparation of State Specific Action Plan (SSAP) for water sector and also to function as Resource Centre for the entire Water Sector. The State specific action Plan for water resources is a very important document and any funding by Govt., of India in water Sector is going to be made with the perspectives projected in the document. The Govt .of India has already earmarked funds under Pradhana Manthri Krishi Sinchai Yojana and planning to extend funding based on " Performance based suitable Frame work". For seeking funding under central schemes formation of State water Mission and preparation of State Specific Action Plan to meet all the needs of the stake holders of water sector in a comprehensive manner with short and long term goals of the State have been made essential by Government of India .

2. In order to prepare guidelines and to take up the preparation of various reports for Government of India Schemes, formation of State Water Mission is proposed along with the stipulated Apex Committee under the Charimanship of Chief Secretary with different concerned Principal Secretaries as Members.
3. In addition, a Technical committee with HOD's from all the depts. of the State concerned to water sector to support the Apex committee is also proposed for formulating the various reports & Action Plans under State Water Mission and proposed to create the Mission in WALAMTARI Institute with appropriate support staff & facilities as suggested by GOI. Further, stated that the Govt Of India would be extending the seed money of Rs 50 lakhs for supporting the entire activity of Water Mission for preparation of Action Plans which has to be completed in 12 months period. If extra funding is necessary, the same would be met from the state funds as required .
4. Government after carefully examining the proposal of the ENC (I), Hyderabad, hereby accord permission for Constitution of 1) APEX Committee of State Water Mission 2) Technical Committee of State Water Mission and 3) Institution for the State Water Mission to take up the work under the Director General, WALAMTARI.
